

My name  
is Joan.

but everybody  
calls me  
Big Jo.

I used to  
hate it.

# big So

~ by Julia Aróstegui ~

But I soon  
realized this

and the best  
you can do  
is grit your  
teeth, and,  
if you can't  
beat them,  
then join  
them.

Realised kids  
can smell Fear,

I AM  
**BIG!**

I AM  
**JO!**

I AM  
**BIG  
JO!**

But,

no matter  
how thick  
your skin  
is,

**FAT**

some shards  
will always find  
your heart.

And sometimes  
it feels like I'm  
all heart.

Like right now.  
For instance...

Well...

For a...

...slightly  
different  
reason:

...AND THE  
COOLEST THING  
ABOUT THESE  
BOOKS IS...

A person with red hair, seen from behind, is writing on a chalkboard. They are wearing a blue vest over a light-colored long-sleeved shirt. The chalkboard has the title 'His Dark' written at the top, followed by a list of books with asterisks.

*His Dark*

- \* *Northern Lights*
- \* *The Subtle Knife*
- \* *The Bone*

Mr. H's  
class.

THEY'RE  
**BANNED!**

doesn't it  
make you want  
to read them  
even more?!

\*awkward silence

...

GO ON

Did you reach  
your brain yet?

By the way, arm  
wrestling IS a  
"real sport"!

National League

WRITING SOME  
CONTEMPORARY  
LITERATURE,  
JOAN?

ALAS! THE  
FREEDOM
